

Beat the Credit Crunch...

Let your dog *Crunch* into a
bag of Arkwrights Complete!

Arkwrights Complete has all the protein, nutrition & taste your dog needs.

Arkwrights is a complete feeding stuff suitable for working & sporting adult dogs.

DIRECTIONS FOR USE

Arkwrights can be fed dry, or moistened to the consistency that your dog prefers. When feeding for the first time it is suggested that you introduce the product gradually over a few days until it replaces all other dog food. Individual dog's requirements vary and may differ from the indications below. Always feed to condition, adjusting the amount fed to meet the dog's needs, dependent upon circumstances and to maintain the desired body weight and shape.

Always ensure that fresh drinking water is readily available at all times. When this pack is not in use fold down top and store in a cool dry place.
